

MENTAL HEALTH FIRST AID AUSTRALIA

PROOF OF eLEARNING COMPLETION

Milly Shennan

has completed the **eLearning component** of the
**Blended Mental Health First Aid for
Tertiary Students Course**

Students are not recognised as having a Mental Health First Aid certificate until both the eLearning and face-to-face session has been completed. Upon completion of both sessions students can become an Accredited Mental Health First Aider.

This course teaches skills for providing initial help to fellow students and other adults experiencing depressive, anxiety, eating, psychotic and substance use disorders and associated crises.
